

**Peninsula
Transport**

Transforming the economic performance of the south west

VISION

Consultation Summary

CONSULTATION BACKGROUND

Peninsula Transport, the Sub-national Transport Body (STB) for Cornwall, Devon, Plymouth, Somerset and Torbay councils, is developing a regional transport strategy which plans and prioritises strategic infrastructure across the peninsula over the next 30 years. As part of this work, Peninsula Transport has produced a high-level vision document setting out the vision goals that will ultimately define the overall direction and principles of the longer-term transport plan.

The vision and goals were consulted on in order to understand the transport needs of those living, working and travelling within the peninsula.

OUR VISION

“ Transforming transport across the peninsula to enable our society and economy to thrive and our unique and outstanding environment to flourish

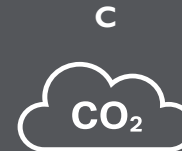

OUR GOALS

A
We will improve connections between people, businesses, and places

B
We will enhance the resilience of the transport network

C
We will deliver affordable, zero-emissions transport for everyone

D
We will help to improve the health and wellbeing of communities in the peninsula

E
We will help the peninsula to be a great place to live and work

KEY FINDINGS

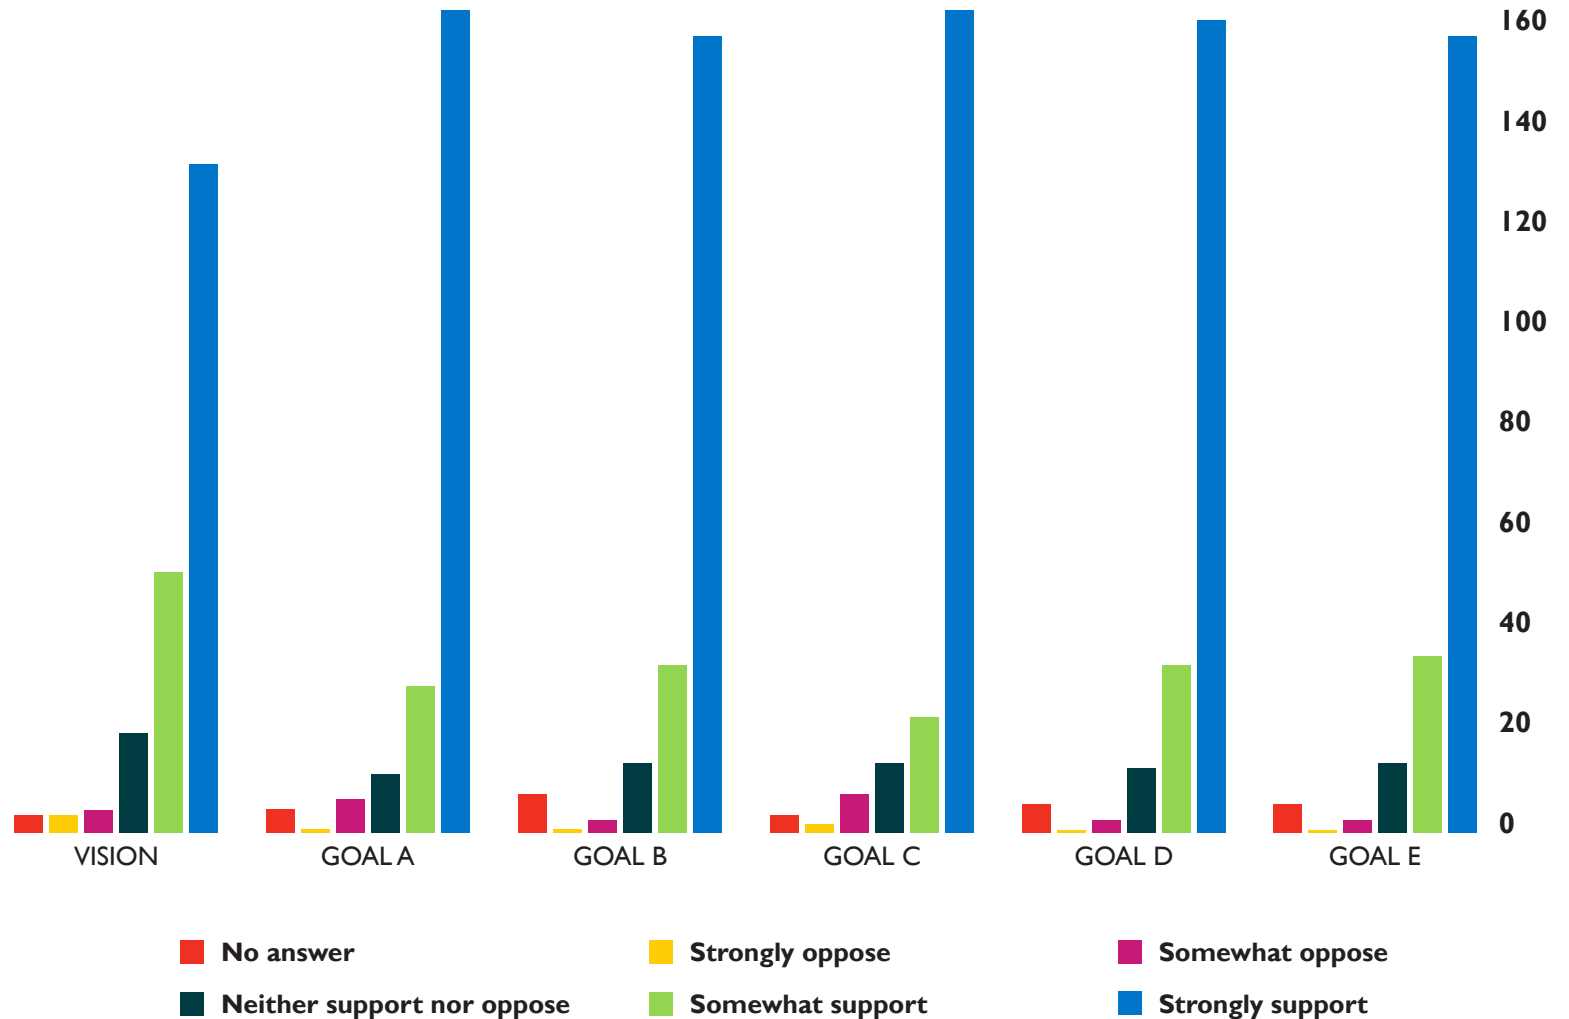

At least **85%** of respondents strongly supported the vision and all of the goals within the strategy

PENINSULA TRANSPORT VISION RESPONSE SUMMARY

Businesses on average were more supportive

Local government respondents were most supportive of improving connectivity

Individuals showed strongest support for delivering zero emissions

KEY FINDINGS

Three open questions were asked to get a better understanding of the opinions around the transport vision, the goals and the challenges/opportunities/priorities going forward.

Question 1 Transport Vision

26 key themes, top 3 were

More detail needed on the transport vision

Net-zero transport

Public transport

Question 2 Transport Goals

29 key themes, top 3 were

More detail needed on the transport vision

Net-zero transport

Public transport

Question 3 Transport Challenges/ Opportunities/Priorities for the Next 30 Years

35 key themes, top 3 were

Public transport

Rail (connectivity)

Net-zero travel

NEXT STEPS

Development of a detailed transport strategy based on:

Recommendations of outcomes and themes from the consultation

Technical studies and recommended interventions

Recently published and emerging Government policy

Peninsula Transport will use the feedback to inform the development of its full transport strategy, which will set out our proposals to deliver a transport system that works best for people, businesses and the planet.

Programme:

Draft strategy for consultation
Winter 2022

Final strategy
Spring 2023
